

## SMDC Checklist Registration

In order to register, the applicant must submit the following documents to the Seychelles Medical and Dental Council

- Completed application form
- Two passport size photographs
- A copy of the passport showing the applicant's full name, nationality and date of birth
- A certified copy of all medical qualifications received, especially the basic qualification as a medical practitioner or dentist
- Certified translation of all submitted documents if the original documents are not in English
- A copy of the transcript if the applicant is a new graduate
- The certificate of registration from the medical and/or Dental Council where the doctor studied or worked before coming to Seychelles
- A letter of good standing from the Medical or Dental Council where the doctor or dentist last worked prior to coming to Seychelles
- A detailed curriculum vitae
- A letter of recommendation from the last employer prior to coming to work in Seychelles
